

FINDING YOUR CHOICES

Finding selections to meet your lifestyle is what AVI is all about. We are dedicated to ensuring your dietary choices are easily accessible.

If you have a gluten allergy or sensitivity ...

When dining with us at your workplace, school or healthcare facility, please speak to the AVI on-site manager. He or she can gladly direct you to choices that meet your needs. We generally do not operate gluten-free kitchens, which may result in a small or trace amount of unintentional gluten in certain servings.

If you are a guest at a Market C micro market or vending location, the following manufacturers have labeled their products as gluten-free:

Bagged Selections

Kettle Brand Potato Chips New York Cheddar
Kettle Brand Potato Chips Jalapeño
Lay's Classic Potato Chips
PopChips Barbeque
PopChips Ridges Cheddar & Sour Cream
Sensible Portions Garden Veggie Straws
Skinny Pop

Snack Selections

Welch's Fruit Snacks
Kar's Sweet N Salty Mix
Second Nature Dark Chocolate Medley
Second Nature California Medley
Wonderful Raw Almonds

Bar Selections

KIND Bar Dark Chocolate Nuts & Sea Salt
Nature Valley Protein Peanut Butter Dark Chocolate
Nestlé Butterfinger
Luna Bar Nutz Over Chocolate
PayDay Peanut Caramel Bar
Sweet Street Manifesto Honduran Chocolate Brownie

Fresh Foods

Yoplait Yogurts (assorted varieties)
Chobani Flip Almond Coco Loco

Other products are available that may meet gluten-free guidelines. As a safety precaution, we have provided only the selections where the manufacturer has stated gluten-free.

GLUTEN FREE

Manufacturers at times may change their ingredients without advance notice. Verify the specific packaging prior to consumption. Selections are accurate as of revision date. For most up-to-date choices, visit AVInutriSOURCE.com/nutriFOODS

For more information about Celiac disease or living a gluten-free lifestyle, visit Celiac.org.
